Trophies will be awarded to winners & runners-up of every age group.

# Tournament Information And Rules.

-  **Rookie Tournaments are an excellent opportunity for juniors to be introduced to competitive tennis in a relaxed and friendly atmosphere. With no ranking points at stake, pressures of winning/losing which accompany many young players' initial reluctance to engage in an organized tournament are totally eliminated and the game of tennis can be enjoyed to its fullest extent.**
-  **Format:** Round Robin with a guarantee of 3 matches (win or lose).
-  All matches are played up to 6 games with no-ad scoring and a tiebreaker at 5 games all.
-  Open to both boys and girls in the following age groups: U8, U9, U10, U12, U14, U16 and U18.  
U8: Half Court using Red Balls.  
U9: ¾ Court using Orange Balls.  
U10: Full Court using Green-Dot Balls.  
U12-U18: Full Court using Regular Balls
-  Minimum number of entries per age group: 4.
-  Respective age groups will be completed on the same day (weather permitting).

-  At the discretion of the tournament director, boys and girls of the same age group may be placed in the same draw in case of insufficient number of entries.
-  Tournaments may be cancelled, or match times rescheduled due to inclement weather (there are no indoor courts available). Please check your email (including your junk/spam files) on the morning of the tournament in case of any last-minute updates.
-  In case of rain, matches will be cancelled or rescheduled during the same weekend. For any match interrupted by rain and not completed, the player in the lead at the time of the interruption will be proclaimed the winner. All players who do not complete at least 3 matches, will be given credit towards any future Rookie Tournament hosted by Martingrove Tennis Club.
-  Coaching is strictly prohibited during all the tournaments; Tournament Director will be present at all the events to provide any necessary instructions to the players. Repeat offenders may be asked to leave the premises with no refund issued for the entry fee.
-  Players will be responsible for making their own line calls; roving umpires may be present to make overrules if needed. All players are expected to display elements of honesty and fair play; unless absolutely certain, the shot should be called "in".
